

HANDS OF HOPE

Son Shine Saturday Notes

Classes – Your group will provide teachers and assistants. There will be 3 groups – Preschool and Primary (Ages 4-7), Elementary (Ages 8-12) and Youth (Ages 13-17). The ages might be flexible according to how the numbers break in order to make groups manageable. Some of the children's skills could be below the average levels. We anticipate approximately 30 children each week.

Supplies - HOH will have the basic craft supplies on hand in the rooms – such as glue, markers, crayons, etc. Please bring other supplies with you. We also have a copier available in the Mission Center for reproducible sheets.

Music - Your group will lead the music. Be prepared for 20-25 minutes of music and assembly time. HOH will have available a CD with familiar Sunday School songs. Music leaders can use this CD or provide their own for any other music. Groups can also provide puppets, etc for the assembly time.

Food - Your group will need to provide a snack breakfast such as cereal/milk, muffin, fruit, etc. and a sandwich lunch to eat before leaving.

Discipline - All participants are expected to assist with basic discipline and good manners-such as running indoors, noise levels, and staying in assigned areas. Children need to be kept busy and in your sight at all times. Serious problems need to be referred to a HOH staff member. Good behavior is also expected during transport time.

At no time should any adult or youth leader be alone with a child in a closed room-keep door open if ever in this situation.
